

General Liability Insurance Provided by Zonta International

General liability insurance policy protects Zonta International from claims that stem from bodily injury or property damage during a Zonta activity or event and is required for clubs and districts within in USA, Puerto Rico and Canada.

Zonta International has arranged for this insurance for the clubs and districts within North America. Actions of Zonta employees and volunteers performing duties on behalf of the organization are covered under this policy. Coverage is automatic for North American clubs in good standing. An additional fee is added to the annual dues billing of these clubs only.

Any questions regarding this insurance may be directed to the Accounting & Human Resources Senior Coordinator at Zonta Headquarters at accounting@zonta.org. Certificates of insurance can be obtained directly from the insurance agency, Cook & Kocher Insurance, at (847) 692-9200.

It is recommended that any additional insurance needs for clubs (i.e. director and officer insurance) be assessed with the help of a local insurance agent.
