

ZONTA SAYS NO TO VIOLENCE AGAINST WOMEN

Day 3—A Day of Orange

16 Days of Activism Against Gender-Based Violence

Showing solidarity with the many other campaigns to stand in opposition to violence against women, the Zonta Says NO to Violence Against Women campaign has also adopted the use of the color orange. Today, although the voices of activists and survivors have reached a crescendo that cannot be silenced or ignored, ending violence against women will require more investment, leadership and action. It cannot be sidelined; it must be part of every community and nation's response, especially during the unfolding COVID-19 crisis.

Wear orange. Let people know you stand in solidarity with millions around the world – Say **NO** to violence against women.
