District 12 Memorial Brick at Amelia  
Earhart Birthplace Museum in Atchison,  
KS

# Appeal for Donations

**District 12 would like to join other Zonta Districts and Clubs by placing a memorial brick in paving at the Amelia Earhart Birthplace Museum in Atchison, KS.**

**The museum staff is aware of Earhart's connection to Zonta and they host many Zontians every year. The District would like to be represented alongside other Zonta Clubs and Districts.**

**The bricks selling for \$50.00 each will be used in areas at the side of the home. Brick orders will be laid in the sidewalk once a year (possibly twice, depending on quantity of brick orders) and that will be by the 3<sup>rd</sup> weekend in June.**

*All proceeds will go to the restoration of the Amelia Earhart Birthplace, a 501(c)(3)*

# See Me During the Break

**I will attempt to answer all your questions regarding donations for the brick and the Amelia Earhart Birthplace Museum.**

**Amelia Earhart would have been 100 years old this year. Her place in history cannot be forgotten and her link to Zonta is treasured.**

**Give if you can to support this worthy cause and to physically mark D12's support of Amelia Earhart's legacy.**
