Lori Backer

Zonta Club of Lakewood Golden

October 2, 1949 – January 13, 2012

Lori Backer, a former Zontian and past president of the Zonta Club of Lakewood Golden passed away in 2012 of leukemia. Lori was a multitalented, unique, lovely woman who fully put to use her technical, creative, and artistic abilities. She brought much of her energy and creativity to the club. Lori was responsible for the formation and success of the Adopt-A-Teacher program. Her beautiful smile touched the hearts of all those around her, and she is missed by all who knew her.

Sylvia Schultz

Zonta Club Of Pierre-Ft. Pierre

December 12, 1912 – June 9, 2012

Sylvia Schultz joined the Zonta Club of Pierre-Ft. Pierre in April of 1950 and was the Club's last charter member. She was club president from 1979-1980 and served on many committees. For many years Sylvia called all the members before the meeting to do a meal count. As the years went by, she was often unable to attend meetings, but always loved to talk when she called to see if you were coming to the meeting. For many new members, Sylvia was the "voice" of Zonta. Sylvia had not been active in the club since she moved to Brookings, but continued to email with members and stayed current via the club newsletter.

The Zonta Club of Pierre-Ft. Pierre is thankful for her friendship and grateful to have had her a member of the club. She will be missed.

Jeanne Sherer

I was born in Washington, PA and have 3 sisters & 1 brother. My father will turn 100 years old in September of 2008. I graduated with a BS from Muskingum College, OH where I majored in Math and minored in Economics, Accounting and Secretarial Studies.

After college I taught Jr. and Sr. HS math in Cleveland, OH. This is where I met my husband Norm who was back in Cleveland State University after serving 5 years in the Navy. He died in March '07 just months before our 50th anniversary. We had 4 sons, 1 died, 1 lives in Boulder and 1 lives in NJ and 1 in MA. When I lived in NJ I worked as an executive secretary for 13 years.

After Norm retired and we moved to CO in 1992 he and I worked in Boulder for 10 years helping people buy and sell businesses. We both had our real estate license. I love all kinds of crafts--I'll try anything. My husband was a Mason and Shriner so I am active in the Boulder Shrine Club and Daughters Of The Nile in Denver.

I love Zonta Club.
