

Bylaws and Resolutions Chair

Deb Beatty

Status report:

I have completed the first draft of the updated policies and procedures manual for review by the board.

Goals:

Get the updated manual completed and reviewed in time for dissemination to the clubs and members prior to the district conference.

Progress – see above

Contact each club to determine the status of their bylaws (in editable format? updated to conform to ZI and D12 current bylaws and P&P?)

Progress – not started yet
