ZONTA MISSION

Zonta International is a leading global organization of professionals empowering women through service and advocacy.

ZONTA VISION

Zonta International envisions a world in which women's rights are recognized as human rights and every woman is able to achieve her full potential. In such a world, every woman is literate and has access to education, health care, legal and economic resources on an equal basis with men. In such a world, no woman lives in fear of violence.

OBJECTS OF ZONTA

- To improve the legal, political, economic, educational, health and professional status of women at the global and local level through service and advocacy.
- To work for the advancement of understanding, goodwill, and peace through a world fellowship of executives in business and the professions;
- To promote justice and universal respect for human rights and fundamental freedoms;
- To be united internationally to foster high ethical standards, to implement service programs, and to provide mutual support and fellowship for members who serve their communities, their nations, and the world.
- To promote justice and universal respect for human rights
