Voting

- 1 card to insert for each vote
- Important matters should be discussed at club meetings, but convention is time to discuss
 & learn new information. Delegates get the final vote based upon what they learn at the convention
- Clubs can advise the club carrying their proxy how they wish them to vote, but legally and technically, cannot tell the delegate how to vote

Alternates

 If the delegate becomes ill or has to leave for remainder of convention check in at credentials desk

After the Convention

 Provide a verbal report to your club and determine what the club you're carrying the proxy for wants

Conclusion

- The convention will be an educational & enjoyable experience
- You will meet Zontians from all over the world!
- You will get a better understanding of what Zonta is all about
- You will have tons of fun!
- Questions/ concerns not covered?
