What makes a Zontian?

Heart. Zontians care about the status of women around the globe. We envision a day when all women will be free to live without fear of violence.

Courage. Zontians stand up for what is right. We are dedicated to empowering women so that one day they will be measured based on their aptitude and ability, not on their gender.

Dedication. Zontians are committed to empowering women so they can take ownership of their own lives. Together, we make a difference.

Knowledge. Zontians use knowledge of laws, cultures and traditions affecting women's lives and studies of the impact of women in decision making positions to conduct service and advocacy actions of long-lasting impact.
