Accomplishments (to date) & plans for next 6 months.

I have contacted the presidents to try to determine a good time for regular conference calls. I have yet to schedule those due to a hectic work schedule and the holidays. I also contacted all clubs to learn what they have been doing and submitted that to Outreach. Main goal for the next few months is to plan the Area Meeting for April 8th.

Questions for Governor report: *(Respond if apply to you. You may delete the parts that don't apply to you.)*

1. What have been your district's successes / achievements since the beginning of the biennium?

The clubs in Area 4 have had many accomplishments. Highlights include Pikes Peak's involvement with human trafficking programs including the

Human Trafficking Symposium, Prowers County's Embrace Your Potential Workshop, and Royal Gorge's Zonta Zing.

2. What challenges have you encountered since the beginning of the biennium?

My main challenge has been a lack of time to devote to Zonta due to demands at work.

3. What guidance or information is needed from the ZI level for your district and clubs to achieve the biennial goals that concern them?

4. What do you, your district or club members need help with? (Can be from liaison, board, HQ.)

I am still feeling a bit lost with what I need to be doing to help the clubs in my district. I am sure this is mostly due to my not having enough time to devote lately to this.

5. Is there anything else you would like to address?
